

# SBC

# Mulch

## Advantages

- Retains soil moisture
- Prevents soil compacting by absorbing the shock of rainfall
- Reduces watering
- Inhibits weeds
- Insulates roots from extreme hot and cold weather
- Insects repellent
- Low maintenance
- Easy to install

BROWN

RED

## Recommended uses

- Alleys of vegetable garden
- Around shrubs and trees
- Pathways and large areas
- Flower beds
- Winter protection

## Mulch... an ecological and environmental choice

- Reduces herbicide and insecticide use
- Conserves water
- Returns organic matter to the earth from which it came
- Friendly alternative to wasted forest resources
- Environmentally friendly iron oxide based pigments for colored mulch, harmless for man and environment.
